

**"The name's Bentley Bear.  
And I've got a tip for you."**

Ever since ATARI made me the star of their latest coin video rage, life's been anything but a teddy bear's picnic. But you can help me by knowing a few tricks like the Secret Warps: **In level 1, get me to the back corner of the maze and press jump. That'll take me to level 3 where you can do the same thing—only this time I must be wearing the magic hat to jump to level 5. Now you must wait until the 3rd warp can blast me off to level 7.**

If you want to get in on all my super secrets, just mail your request to BENTLEY BULLETINS ATARI Coin Games Division, 790 Sycamore Drive PO. Box 906, Milpitas, CA 95035. The supply's limited, so hurry!
